

Managing Conflicts

Hands-on course of 2 days - 14h

Ref.: GDF - Price 2025: 1 590 (excl. taxes)

Conflict in the workplace is inevitable from time to time, and it can have a detrimental effect on personal and team performance unless it is managed well. This course offers strategies and tactics that can be used to manage conflict effectively. It will help you to recognise the causes of conflict at work and the effects it can have on performance. You will be shown different ways of handling conflict as well as tips on how to resolve specific conflict situations. You'll also explore your own role in creating a positive work environment to minimise conflict within your team. By the end of the course participants will be able to:

- Understand conflict development/resolution
- Understand how to get at the root cause of difficult behaviour
- Be able to distinguish between aggression, assertion and submission
- Have developed the skill to handle a variety of everyday confrontational situations
- Feel more comfortable in confronting people and emotions rather than avoiding them.

Scenarios, role-playing.

TRAINER QUALIFICATIONS

The experts leading the training are specialists in the covered subjects. They have been approved by our instructional teams for both their professional knowledge and their teaching ability, for each course they teach. They have at least five to ten years of experience in their field and hold (or have held) decision-making positions in companies.

ASSESSMENT TERMS

The trainer evaluates each participant's academic progress throughout the training using multiple choice, scenarios, hands-on work and more. Participants also complete a placement test before and after the course to measure the skills they've developed.

TEACHING AIDS AND TECHNICAL RESOURCES

- The main teaching aids and instructional methods used in the training are audiovisual aids, documentation and course material, hands-on application exercises and corrected exercises for practical training courses, case studies and coverage of real cases for training seminars.
- At the end of each course or seminar, ORSYS provides participants with a course evaluation questionnaire that is analysed by our instructional teams.
- A check-in sheet for each half-day of attendance is provided at the end of the training, along with a course completion certificate if the trainee attended the entire session.
